

National
Association of
Neonatal
Nurses

NANN MEMBER REFERENCE

NANN Membership makes a difference in the NICU.

Whether you're a nurse manager, Magnet coordinator, or healthcare administrator, having National Association of Neonatal Nurses (NANN) members on your NICU team makes a difference for your patients, their families, neonatal nursing staff, and your hospital.

Employers Benefit from NANN Membership

Supporting professional membership for your NICU nurses can help you

- achieve or renew Magnet status
- provide accredited training and education for your staff at a discounted price
- support neonatal nurses in providing the highest quality of care and improving outcomes.

Patients Benefit from NANN Membership

Having NANN member nurses in your NICU assures patients

- are cared for by nurses dedicated to professional excellence
- have access to nurses that are part of a respected, standard-bearing professional organization
- receive free family education resources to help them navigate their NICU experience and care for their newborn.

Nurses Grow with NANN Membership

NANN membership offers many professional and personal rewards, including

- enhanced professional credibility
- leadership and volunteer opportunities
- influence in advocating for the profession and patients
- connection to a diverse group of peers
- continuing professional development and access to clinical and professional resources.
