

NANN Membership is Valuable!

NANN membership value adds up quickly.

Advances in Neonatal Care (ANC) Journal

NANN's peer-reviewed journal publishes original evidence-based research and clinical practice articles to help enhance daily practice.

Member Savings: \$106

Annual Conference

NANN's Annual Conference offers 30+ CNE hours on timely topics in the industry, the most relevant neonatal vendors, and networking opportunities.

Member Savings: \$130

CNENow! Modules

NANN's peer-reviewed educational modules help neonatal nurses acquire knowledge in essential areas of neonatal care.

Member Savings: \$15 per module

Developmental Care CNE Modules

A supplement to *Developmental Care of Newborns and Infants: A Guide for Health Professionals*, each module reinforces the most relevant and important aspects of developmental care and serves as a study guide to augment learning and professional experiences.

Member Savings: \$64

Family Teaching Toolbox

The Family Teaching Toolbox, available to members for free, is a series of 23 resources designed for neonatal families.

Member Savings: \$20 per resource

Neo-Care Cards

NANN's Neo-Care flashcards provide valuable information for bedside care in an easy, accessible format.

Member Savings: \$11

Neonatal Review Course

This 14-module web video series provides the education needed to complete the National Certification Corporation test for the Registered Nurse Certified-Neonatal Intensive Care certification, or to obtain the Certification for Adult, Pediatric, and Neonatal Critical Care Nurses given by the American Association of Critical-Care Nurses Certification Corporation.

Member Savings: \$60

Peripherally Inserted Central Catheters: Guidelines for Practice, 3rd Edition

This highly-referenced guideline informs clinical practice, and reflects the latest information on practice, education, and techniques.

Member Savings: \$15
