

**National
Association of
Neonatal
Nurses**

**Application to Request a Mentor
for a Research Study Grant**

Small Grants Program

The Small Grants Program is now accepting applications from all NANN members with an interest in furthering their research interests and/or initiating their own research study. The program provides ideal opportunities for nurses with little or no research background to work closely with a mentor who is an experienced researcher and who will enhance their skills and promote the success of their research study. Applicants are encouraged to identify a locally based mentor to guide them in developing their proposal and in carrying out their research project if funded. NANN can help match up mentees with mentors if needed. To request a mentor please fill out the information below.

Please Note:

- Grant recipients must register and attend the 2016 Annual Educational Conference to receive their check and award.
- Grant recipients will then present their findings at the 2018 Annual Educational Conference.
- The deadline to submit your grant application is March 1, 2016.

Request a Mentor

Please provide us with the following information so that we can match you with the best fit mentor and email it to Stephanie at swimmerstedt@nann.org

First Name: _____

Last Name: _____

Address: _____

Phone: _____

Email: _____

Degree: _____

Institution: _____

Area of practice: _____

Best way to reach you: _____

Please provide a brief description of your research idea:
